Sixth Sunday in Ordinary Time

FEBRUARY 16, 2020

Sirach 15:15-20; 1 Corinthians 2:6-10; Matthew 5:17-37

We don't like to hear it, but we are responsible for our actions! The first reading tells us that we can choose to do good, or we can choose to do evil. We are in charge. And we must take the responsibility for our deeds.

We can chose life, or we can choose death. God does not command anyone to sin; in fact, he makes sure that no one is ever tempted beyond the strength to resist. So what excuses do we have for our behavior?

Our Christian moral code goes beyond our natural inclinations; it even goes beyond the commands of the Old Law. The former law commanded us not to murder; Jesus says we are not even to be angry.

The old law said that we must not commit adultery; Jesus says we must not have lust in our heart. The old law commanded us to fulfill our vows; Jesus says that if we are truly loyal to him, oaths are unnecessary. He commands us to say what we mean, and always to act according to our good conscience.

Our second reading speaks of "wisdom." Pagans thought that "wisdom" was speculation and argumentation. Paul says that real wisdom is to know the mystery of God: that he loved us so much that he sent his Son to save us, and that his Son died and rose that we might have life.

Let us always have the wisdom to seek to know God's will at all times, and the courage to do his will. Remember, we are responsible for our souls.

Fr. Don's Doodlings

Salt and Light. Last Sunday we heard Jesus referring to us, his disciples, as the "Salt of the earth," and the "Light of the world." Pretty awesome, right? It sounds like Jesus thinks highly of us. And has some high expectations of us.

In "homilizing" about this I mentioned stewardship, and how this is our way of doing exactly what Jesus is expecting of us. So, I want to add to the compliment that Jesus offers us, and also give you a brief report on the renewal.

The results of our stewardship renewal last October were very encouraging. We are delighted that 513 commitment cards were received from 48% of active households. These families pledged 3,978 prayer commitments, and also pledged to serve in 2,120 parish ministries. This includes 439 new commitments to ministries. 439 new ones! That's great. In fact, that's a good example of why it's important for us to do the renewal every year – it gives the opportunity for folks to get involved in a new ministry, to try something different. Plus, there were 1,681 re-commitments to parish ministries.

We also received 385 offertory commitments, pledging over $700,000 to St. Francis Parish in the coming year. This represents 75% of participating households. We're sure that the other 25% of those households will also be giving throughout the year. To tell you the truth, I don't pay much attention to what is pledged, because I know that so many of you say that you'll give, but you don't want to pledge any amount, either because you don't want others to know, or because you fear you may not be able to fulfill your pledge. But I find that you always give more than what was pledged, so I trust you and I trust in God to provide.

Finally, there were 44 families who were not previously involved in any ministry who have signed up to participate in parish life. That's great! And the reason that delights me is that the whole purpose of our annual renewal is to encourage all parishioners to become better disciples of Jesus Christ. It's all about putting flesh on the bones of the living of our Catholic Faith – putting our faith in action.

So, thanks to all those who have generously pledged to participate actively by giving of your time, talent and treasure. And if you didn't return a stewardship commitment card, please remember that it's never too late to get more involved in living our Catholic Faith.

Indeed, you are the salt of the earth and the light of the world.

A Mid-Winter Recital at St. Francis

When? Sunday, February 16 at 2:00 p.m.

What? Some Parishioners have stepped forward to share some of their musical talents with us. Piano, Organ, Guitar, Voice and various others!

An afternoon of fun and music, with refreshments after.

Forty Days of Giving to the Food Pantry During Lent

The Food Pantry challenges you to give a grocery item each day of Lent to the Food Pantry. There are bags in the pantry bins at all the entrances of church with the usual items that the pantry gives stapled to them. Take one and fill it up, then bring it to church.

CRS Rice Bowls

Be sure to take a CRS Rice Bowl home with you and involve all of your family members in this worthwhile Lenten sacrifice.

Each year, St. Francis Food Pantry receives a grant from the CRS Rice Bowl to help those who need food in our parish and in our community. Set a goal to support CRS Rice Bowl by taking each day of Lent and contributing a dollar. Or give up one night out a week of dining and put the money you would use for the meal into the rice bowl.

The Food Pantry will contribute a package of rice and beans to any family (while supplies last) who wishes to substitute one meal with this as the main course. These are available at the north entrance of the church. Use the money that you save by using the rice and beans and put it into the rice bowl. You get the idea!

Thrive Chiropractic Clinic Sponsors Souper Bowl for Food Pantry

Thrive Chiropractic is again sponsoring the Souper Bowl where their clients bring soup and crackers to the clinic to be donated to the St. Francis Food Pantry. Generously, Dr. Daryle Hightower and her husband, Adam, will then match the soup and crackers that are donated. We invite our parishioners to join in and bring soup and crackers this next week or so to add to the supply. Last year the soup and crackers collected was not used up until summer!

Dear Parents,
With the cold and flu season upon us, we are doing our very best to keep your children safe from any germs that may be carried into our school. We have had our cleaning crew sanitizing the building every night for quite some time, and encouraging students to wash hands frequently. Our highest total of students out for one day last week was 36. Numbers have been better this week, but we are being very proactive. According to our handbook on page 46:
"If your child is sent home with a fever, they should not return to school unless he/she has been fever free (without Tylenol or other fever reducers) for 24 hours. If the fever is associated with a contagious disease, longer absences from school may be required. Any child with a temperature of 100 or above will be sent home.
If vomiting occurs, your child should be kept at home until he/she can keep his/her food down and is eating normal again.
If a student is ill, the principal has the discretion to send a child home."
We realize this may pose a daycare issue for you and we apologize for that, but we are looking at the larger picture for all of our school children and doing our best to keep them healthy.
We appreciate your support!
