

EPIC

A JOURNEY THROUGH CHURCH HISTORY

"One of the key things many Catholics have lost since Vatican II is a sense of their own history. The future depends on our actions in the present; and the present depends on our memory of the past. Epic: A Journey Through Church History fills an urgent need for adult Catholics to recover their history as a believing community, debunk false criticisms of their Church, and understand the Christian underpinnings of the modern world. This is a vivid, thorough, and engaging program. I heartily recommend it."
