

There are many ways for you to say “Happy Birthday” to your child. One way of creating a very special remembrance of your child or grandchild’s birthday, that will benefit the St. Francis School for years to come, is to add a book to our library in honor of your child. If you would like to place a book in the library in honor or memory of anyone, it is handled in the same manner.

When you join the Birthday Book Club, your child will:

- Receive a personalized birthday bookmark
- Be recognized at one of the Monday morning assemblies
- Be the first to check out the new book
- Be recognized with a bookplate in the front of the book

We hope you will participate in our Birthday Book Club this year. It’s a fun way to encourage our children to become lifelong readers. With your participation, we will continue to enhance the school library and St. Francis students will benefit from your gift for years to come.

To participate in the Birthday Book Club, please fill out the form below and return it to school with a \$15 payment. Our Librarian, Mrs. Peters, will take care of purchasing the book of your child’s choosing. There is no need to wait until the month of your child’s birthday, either!

Give the gift that can be opened time and again!
