

HOME & SCHOOL MEETING February 3, 2015

4 staff, 2 parent/staff, 7 parents, principal, Fr. Don, 4 board members

Called to order 7:03pm

Pastor's report: Fr. Don opened with a prayer then gave his report. Fr Ferd at QU was chosen to be Auxillary Bishop in New Orleans where he originated from. The Sisters were honored at the January dinner of Catholic Schools. There has been a great response to the call for stewardship. Parish Center is going well. If you haven't seen the Narthex, you need to see it.

Principal's report: Tracy family hired the ACE group. Lori needs to write a 5 year long range plan. Goals/objectives and action plan need to be a part of this plan. Input needs to be from many different groups of people: Community members, parishioners, parents, students, teachers, faculty, etc. There was a meeting about it in Mount sterling on January 15th. February 14th is the next meeting. Review process is May 5th. This happens every 7 years. There are 4 domains that need to be met and 8 people need to be on each committee. Janice Riley has been hired to help the kids with 504 plans which was through the grant money from the Tracy Foundation.

Another new student has joined Mrs. Slough's class. WELCOME Grace

Catholic schools week was a huge success. Amazing enrichment classes. 11am Sunday mass kicked off that week and the students participated and some of the younger students dressed in their Saint attire.

January 21st - Martha Holt presented to the teachers on ADHD and sensory issues.

Treasurer report: the current budget was available to view and Jen A. motioned to approve and Roberta H. 2nd.

Secretary's report: The minutes will be available online at the school website. Any questions, please contact Alice Arnold. I am willing to send home paper copies upon request.

OLD Business:

Mrs. Mak shared that Change Cancer was a success. We have a brick at Blessing Cancer Center and plaque from Siteman Cancer Center because of the school raising money. THANK YOU!!!

Jen Arens talked about the activities committee. The Winter Carnival was a huge success with turnout. They are working on planning bi-monthly events or quarterly. More ideas: movie night, spring picnic/BBQ at the park, pumpkin carving night, trunk or treat, book night, etc.

May 26th is the last day right now. School picnic date and place is still up in the air.

Parents' Prom 7-11pm - April 11th

Veggies, Fruits, cheese, Sausage, appetizers type food. Ticketed event. Music provided; encouraged to wear prom attire but not required; possibly \$15/person \$25/couple. Each grade will make an auction basket. Still need more volunteers.

Fundraising Committee Update: We further discussed the survey we brought up at the last HAS meeting and we think we have it ready to go. Amanda will be contacting Mrs. Shepard to make plans to send it out. Heather talked about doing a dine-out night at Buffalo Wild Wings. She booked one on March 4th from 5-9pm with 15% of all food profits from St. Francis families coming back to the school.

NEW Business:

Jr. High Dance - looking at the end of March.

Market Day - \$100 gene grawe card for Kathy McClain for all her hardwork since she will no longer be with Market Day but has helped St. Francis with this program for many, many years. Jen Arens motioned to approve and Tammy Blair 2nd.

Mrs. Babyak motioned to approve for Parent Prom Budget of \$2000, Mrs. Mak 2nd. It is unlikely that we will need that amount.

Meeting adjourned with a prayer at 8:15pm.
