

Birthday Book Club

There are many ways for you to say "Happy Birthday" to your child. One way of creating a very special remembrance of your child's or grandchild's birthday, which will benefit St. Francis School for years to come, is adding a book to our library in celebration of your child's birthday. If you would like to add a book in honor or memory of someone, it is handled in the same manner.

When you join the Birthday Book Club, your child will:

- Be the first to check out the new book.
- Be recognized by Mrs. Shepard during school announcements.
- Be recognized with a bookplate in the front of the book.

We hope that you will participate in the Birthday Book Club! It's a fun way to encourage our children to become lifelong readers. With your participation, we will continue to enhance the school library, and St. Francis students will benefit from your gift for years to come.

To participate in the Birthday Book Club, please fill out the form below and return it to school with a \$15 payment. The book will likely be ordered in a hard cover or library quality binding. The librarian will take care of purchasing the book of your child's choosing. It is not even necessary to wait until the month of your child's birthday!

Give the gift that can be opened time and time again!
